#### What Has Changed?

- A slightly different colour a darker and more traditional shade that will also improve legibility
- The shield graphic has been slightly widened and the dragon and book symbols filled in. These changes help strengthen the logo and enhance legibility, especially at smaller sizes and on digital platforms
- The words 'Swansea' and 'Abertawe' have been emboldened in order to stand out more easily alongside partner/ associate logos
- There are now three versions of the logo which we refer to as: centred, horizontal and stacked and can be seen on the following pages. You can start using them straight away. Use whichever version best fits the format in which you are working but please don't mix and match. By this, we mean don't use different versions on the same item of material.

### Beth sydd wedi newid?

- Lliw rhywfaint yn wahanol arlliw tywyllach a mwy traddodiadol a wnaiff wella eglurdeb hefyd
- Mae graffeg y darian wedi'i ledu ychydig a'r symbolau draig a llyfr wedi'u llenwi. Mae'r newidiadau hyn yn helpu i gryfhau'r logo a gwella eglurdeb, yn enwedig ar feintiau bach a llwyfannau digidol
- Mae'r geiriau 'Abertawe' a 'Swansea' mewn print trwm er mwyn sefyll allan yn haws ar y cyd â logos partner/cyfrannog
- Mae tair fersiwn o'r logo bellach y cyfeiriwn atynt fel canolog, llorweddol ac mewn pentwr a chânt eu gweld ar y tudalennau dilynol. Gallwch ddechrau eu defnyddio yn syth. Defnyddiwch ba bynnag fersiwn sy'n gweddu orau i'r fformat yr ydych yn gweithio ynddynt ond peidiwch â dewis a dethol. Fel hyn, golygwn i chi beidio defnyddio fersiynau gwahanol ar yr un eitem o ddeunydd.
